

"Shine is providing complete sanitary ware & fittings solution to the customers since it's inception. Now Shine introduced a range of elegant ceramics sanitary ware which has a blend of style & expertise to ensure ultimate customers satisfaction."

About SHINE

Shine is one of the most prominent brands of RFL. Shine represents elegant sanitary ware & fittings that suits your choice. Shine has Water Tap, Tissue Holder, Flush Tank, Push Shower, Hand Shower, Wall Shower, Towel Hanger, Shower Room and over more than 400 essential bathroom fittings that not only fulfill the need but also modernizes the bathroom. At first in Bangladesh we developed the largest chroming plant from where we can provide different types of gorgeous & eye-catching electroplated bathroom fittings. Shine believes in innovation, as a consequence in 2017, we bring a new product concept named "MetaPlast". Pursuing the objective of discerning customers' mind set, Shine has launched a range of elegant ceramics sanitary wares with style & expertise that bring pleasures to the users.

After enormous response from the country, Shine has created demand in India, Nepal, Sri Lanka, Japan, Africa, United Arab Emirates and more than 20 other countries and earned fame for the country resulting in unbelievable rise in business growth and graph constantly.

About the Company

RFL Plastics Limited is a sister concern of PRAN-RFL Group. The company was founded by late Mr. Amjad Khan Chowdhury in 1981 with a vision to leveraging the farmer in irrigation as well as ensuring drinking water through water pump & tube well. After that it commenced its operation in different categories and started plastics line in 2003.

RFL Plastics Limited currently utilizing more than 2300 moulds through 450+ machines having a modern equipment facilities in factory premises. The behind growth story of this company is expansion and availability of innovative & affordable pipe & fittings to the users. We are a very strong organization of more than 4500 employees dedicated to supply customized & quality pipe & fittings solutions nationally & globally. It is our pleasure that we achieved several recognitions from both local & international organizations as the best business enterprise as unique service provider & for sustainable growth.
