About Us

RFL Plastics is a sister concern of PRAN-RFL Group. The company was founded by Amjad Khan Chowdhury in 1981 with a vision to leveraging the farmer in irrigation as well as ensuring drinking water through Water Pump & Tube well. After that it commenced its operation in different categories and starts plastics line in 2003. The factory sites are in company owned industrial parks of 300,000 sq meters including building area of 200,000 which is fully equipped with state of the art injection & blow molding machines with a conversion capacity of over 10000 tons per month.

RFL Plastics currently utilizes 2300 molds through 300 machines having a growth rate of 20% over last year backed by own tooling facilities in the factory premises. The behind growth story of this brand is expansion & availability of innovative & affordable solution for household durables & utensils.

We are a very strong organization of 4500 employees dedicated to supplying customized and quality plastic products globally.

Our Credentials

It is our pleasure that we have got several recognitions from both local and international organization as the best business enterprise through sustainable growth.

Mirror

A woman with long, dark, wavy hair is smiling and looking at her reflection in a large, rectangular mirror mounted on a wall. She is wearing a white, long-sleeved robe. The mirror reflects her face and upper body. Below the mirror, a chrome faucet is visible on a white tiled wall. The background shows a modern bathroom with white tiles and a glass shower door.

Mirror is a piece of glass with a shiny, metal-covered back that reflects light, producing an image of whatever is in front of it. Shine has a wide range of mirrors designed distinctively to meet each of your different needs.

Bath Tub

A white clawfoot bathtub is the central focus, set against a lush green living wall. The wall is covered in dense foliage and decorated with several small white lanterns and colorful birds. The tub is surrounded by various potted plants, including daisies and purple flowers, and sits on a dark wooden deck. The overall scene is a garden-like oasis.

A bathtub is usually placed in a bathroom either as a stand-alone fixture or in conjunction with a shower. To make your bathing more comfortable we have introduced Shine bath tubs. The stylish design of these would surely add a new look to your bathroom.
